

Fort Riley Extended Antlerless Deer Season 2010

The military mission has precedence over the announced hunting season. The Fort Riley Military Reservation or portions of it may be closed at any time, without prior notice, due to military activities. Additional security measures may be implemented at any time without notice, resulting in access restrictions in addition to those explained in this publication.

1. REQUIREMENTS

a. Complete Pre-Hunt Briefing. All Fort Riley extended antlerless season deer hunters must have completed a mandatory pre-hunt briefing before January 1, 2010. Hunters under the age of 18 may be exempt from this requirement if they are hunting with a parent or guardian that has taken the briefing.

b. Eligible Permits. Any unfilled 2009 Kansas deer permit valid in unit 8 may be used during the Fort Riley extended antlerless deer season. Current (2010) Kansas state hunting licenses and Fort Riley access permits must be obtained and in possession as required by the state of Kansas.

c. Only one antlerless deer may be taken on Fort Riley per hunter during this season. If any eligible hunter has harvested three deer on Fort Riley this season then they will not be allowed to hunt on Fort Riley this season.
